### Hospitality / Tasting Area

The tasting area is a raised 24' x 32' mobile stage to be supplied by Marlboro. Our vendor will be responsible for its transportation, set up, and break down. During the run of the fair, this unit will contain 42" high long tables for consumers to stand at while they are tasting the food from the cookbook. The unit capacity is 88 people.

The executional agency will need to arrange for the following in all nine markets:

- Rental, set up, and break down of tables, chairs, utensils, linens, centerpieces for 100 people at each Premier Night
- Cleaning and maintaining area during fair hours and Premier Night

### Celebrity Chef Demonstrations

- Assume one 15 minute demonstration every hour for fair hours
- Assume one 30 minute demonstration for each Premier Night

### Samples

- 1,000 per day
- Each sample includes one main dish (4 ounces) and two side dishes (three ounces each)

### Staffing

- At least two full time traveling Tour Managers/Coordinators

### Premier Night

- One seating (of 100 people) instead of two seatings (120 people)

\* Please see attached for instructions that relate specifically to your bid response.
